

Consent to proxy access to GP online services

Notes: If the patient does not have capacity to consent to grant proxy access and proxy access is considered by the practice to be in the patient's best interest section 1 of this form may be omitted.

If, as a parent, you are applying for access to your child's records, we will need you to confirm your parental rights. If your child is competent and able to understand the implications of your access, then we will need to get their consent first even if they are under 16 years of age.

Section 1

I,..... (name of patient), give permission to my GP practice to give the following people proxy access to the online services as indicated below in section 2.

I reserve the right to reverse any decision I make in granting proxy access at any time.

I understand the risks of allowing someone else to have access to my health records.
